

Thailand

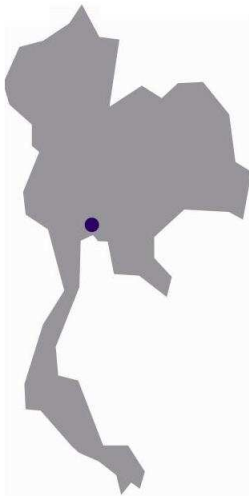

Fast facts

Who we are

Grant Thornton in Thailand, a member firm of Grant Thornton International, was established in 1991 and has enjoyed growth and success since its establishment.

We have approximately 100 professional staff providing services in assurance, business consulting, business risk services, corporate finance, executive recruitment, recovery and reorganisation and tax consulting, helping clients in a broad range of industries achieve their objectives.

Where we are

Our office is located in downtown Bangkok and is easy to get to by car, sky train or taxi.

How we work

We operate with the highest standards of professional integrity with solid principles. Our dedication, teamwork and commitment result in a world-class professional service to our clients in Thailand.

Our team combines international and Thai expertise, with long-term resident foreigners, access to expertise from offices all over the world and one of the brightest, best-educated teams of Thai professionals in the country.

What we have to say

“Grant Thornton in Thailand is well recognised by the business community as one of the leading professional service firms in Thailand. We helped many clients successfully navigate the Asian economic crisis of the late 1990s, and are currently helping clients deal with the impact of the global recessionary environment.

We continue to strengthen our professional services in Thailand and work with many multinational and Thai companies, helping them develop and expand their operations and networks. Our service lines are comprehensive, allowing us to deliver practical, holistic solution to our clients’ problems.”

Ian Pascoe

Our global organisation

Grant Thornton International is one of the world's leading organisations of independently owned and managed accounting and consulting firms. These firms provide assurance, tax and advisory services to privately held businesses and public interest entities. More than 2,500 partners provide clients with distinctive, high quality and personalised service in over 100 countries. For more information visit www.gti.org.
