

Business Consulting

Grant Thornton, Thailand

“ *The environment for business is changing faster now than at any time in recent history. Forces such as globalisation and rapid technological changes are disrupting traditional business models and creating huge challenges for organisations, both privately owned and publicly listed.* ”

About us

At Grant Thornton, we help our clients understand these forces and their impact, while formulating solutions to keep them ahead of disruptive change.

Why choose us?

We offer a full suite of services to address the biggest challenges businesses face across any sector or global market: sustaining and financing growth, managing risk and talent, optimising operations and protecting value. Our relentless focus on client success makes business consulting one of the fastest growing areas of our business.
