

# BUSINESS CONSULTING

*“The environment for business is changing faster now than at any time in recent history. Forces such as globalisation and rapid technological changes are disrupting how organisations attract, develop, and retain talent placing human capital at the centre of today’s most pressing challenge.”*

# ABOUT US

At Grant Thornton, we help our clients understand these forces and their impact, while formulating solutions to keep them ahead of disruptive change.

## Why choose us

*“ We offer a full suite of services to address the biggest human capital challenges organisations face in any sector or global market: attracting and retaining top talent, building future-ready leadership, developing workforce capabilities, and fostering cultures that drive performances. Our relentless focus on people and organisational success makes human capital consulting one of the fastest growing areas of our business.”*

# What are clients say about us?

“I have just spoken to the candidate who has agreed to our proposal. Next week I will forward him a contract. I appreciate your efforts and even more that you have been successful in finding us a great candidate – thank you.”

“Many thanks for your letter ‘Don’t shoot the messenger’ I found this quite a novel approach, rather entertaining to read and a breath of fresh air to the otherwise sterile approach of many recruitment companies.”

“Thank you very much for your kind advice and I will put your suggested strategy into action.”

“I was very excited to read your website as it is not the typical stereotype website that other search/recruitment companies have. Your message could not have been more accurate.”

“I am most appreciative and overwhelmed by the effort and invaluable guidance you have sent to me.”

“It was good to meet you yesterday. Thank – you for taking the time to give me your thoughts on Thai business and the local labor markets. I found this very valuable.”
