

BUSINESS RISK SERVICES

Supporting you to address the risks of your business

Why choose us

In today's dynamic and highly regulated marketplace, organisations must demonstrate adequate controls and safeguards to effectively manage risks. At Grant Thornton, we help clients navigate complex risks and evolving regulations by identifying and managing risks across the organisation. We combine our industry knowledge with our risk-based internal audit methodology to deliver tailored internal audit offerings that are appropriate for your size, industry sector, risk appetite and regulatory requirements.

About us

At Grant Thornton, we help identify, understand, and effectively manage their risks to strengthen resilience and strike an appropriate balance between risks and opportunities.

Internal audit services

Supporting our clients

Outsourced and co-sourced internal audit

Perform risk assessments, develop internal audit plans and perform end-to-end internal audit activities from planning, execution to reporting.

Internal Controls assessment and compliance

Support organizations in assessing and strengthening internal controls to ensure SOX and Thai SEC compliance, including ICFR evaluation and improvement planning.

IT internal Audit

Provide IT audit solutions to help clients meet regulatory and industry best practice requirements.

Quality Assurance Review (QAR)

Assist organizations in evaluating the effectiveness of internal audit function, alignment with IIA Standards and benchmarking against leading industry practices.

Enterprise Risk Management (ERM)

Developing and implementing a robust Enterprise Risk Management (ERM) framework by formulating policies, risk appetite statements, and controls across key risks.

IA Transformation

Guide clients in transforming internal audit functions to enhancing value, efficiency, and streamlining controls to support lean operations and strong risk management.

Regulatory compliance

Provides in-depth technical knowledge on emerging regulations and helps organisations leverage efficiencies. With comprehensive compliance optimisation strategies, we help clients remediate regulatory gaps, streamline operations and limit risk exposure.
